

Built for the long run.

TrailGoat. A Capra Studios project.

01

SWIPE to EXPLORE

Start with the course.

A planning tool for trail and ultra runners, shaped around the route ahead.

02

SWIPE to EXPLORE

Bring the plan together.

Course, pace and what to eat along the way,
considered as parts of the same experience.

03

SWIPE to EXPLORE

Give it a voice.

Design and development meet a visual identity
with a point of view.

04

SWIPE to EXPLORE

Then make it move.

A pile of blocks becomes a goat. A short brand film gives the identity a story.
