

Imagination. Made tangible.

Meet Capra Studios. A small team of specialists in Atlanta.

01

SWIPE to EXPLORE

Software that clarifies the work.

Custom applications designed around the people using them and the decisions they need to make.

02

SWIPE to EXPLORE

Websites with a point of view.

Design, development, motion and video graphics
shaped into one experience.

03

SWIPE to EXPLORE

AI that earns its keep.

Chat agents, knowledge systems and connected operations built around the business.

04

SWIPE to EXPLORE

Small team. Direct conversations.

Talk to the people doing the work. Designers, engineers and specialists come together around your project.

05

SWIPE to EXPLORE

What are you imagining?

Tell us what you want to make or improve.
